

# Mr Nock- Teacher of Music

Hi everyone, my name is Mr Nock and I teach Music at Hillcrest. Music is an important part of the school community ranging from periphetic lessons such as dhol drums, steel pans, guitar, keyboard, vocal lessons to the school choir and a range of other music clubs to join whilst at Hillcrest. Your class lessons will be mostly practical with written work and you will experience and learn a range and style of different genres of music. You will also have the opportunity to take part in the Hillcrest Christmas and summer concerts and productions.
