

Mrs Berlyn- Teacher of Performing Arts

Hi everyone, my name is Mrs Berlyn and I am one of the performing arts teachers at Hillcrest. Performing arts is a mixture of dance and drama lessons and is a very popular subject at Hillcrest. I work with Miss King. We will inspire you to be a great performer and teach you many dance and drama skills and techniques. You will complete lots of different units with different engaging themes. There will be lots of dance and drama clubs you will have the opportunity to join and also the opportunity to work with lots of outside drama and dance companies as well as attend many organised trips. Your lessons will be mostly practical with elements of written work. You will also have the opportunity to take part in the Hillcrest Christmas and summer concerts and productions.
