

Mr Abbotts- Deputy Headteacher

Hello, Year 6. I'm Mr Abbotts, one of two Deputy Headteachers at the school. The main focus of my job is to ensure that the quality of teaching you get in all of your subjects is excellent. You are lucky as you are joining a school which has a lot of great teachers! You will hear me talk in assemblies about what makes a good student, and how you can learn excellent study skills during your time with us at the school.

I am also part of the school's leadership team, which includes: Headteacher Mrs Davies, Mr Connor-Hemming (Deputy Headteacher), Mrs Palmer (Assistant Headteacher) and Mrs Johnson (Strategic Business Manager). We ensure the smooth running of the school.

I look forward to meeting you all.
