

Ms Davies- Headteacher

Hello Year 6 and welcome to Hillcrest.

My name is Ms Davies and I am the Headteacher. I am really looking forward to when I can meet you all in person, and welcome you into the school. For now, I hope that our website and this special transition page has lots of useful information to help you get ready for your Hillcrest journey. You may be feeling nervous, and a little bit excited, but that's perfectly natural. I really look forward to when I can do my first assembly with our new hillcrest Year 7's. Take care for now and I will see you as soon as possible.
