

Miss Lune- Main Receptionist

Hello year 6. I am Miss Lune and I am the Main Receptionist in the school. I am the first point of contact on your arrival so I am able to greet you and your parents and help reassure you that your school experience is a positive one. I am able to help you with directions for getting around the school and I will make sure you are given a school map to assist you and I will be there to answer any questions you or your parents may have. I can also put you in touch with other members of staff who will be best to help you in all departments.
