

Miss Parveen- Librarian

Hello year 6. I am Mrs Parveen. I am the librarian and you can find me in the Open Learning Centre. I am responsible for the books and computers in the Open Learning Centre. Throughout the year I will buy new books for students to read. The Open Learning Centre has computers to use before and after school and break and lunch time. Students can borrow fiction and non-fiction books. Students can also come and complete their homework.

In Year 7 you will have a lesson a fortnight in the Open Learning Centre with the English teacher and you will be using Accelerated Reader. This is an online reading program in which you will read books and complete quizzes. The quizzes can be completed in the Open Learning Centre. I also responsible for free school meals in the school and if you have any questions you can come and talk to me.
