Dear Parent/Carer

We are committed to working with parents/carers to help their child understand and explore their next education, training and careers steps. Please find below a link to 'My World of Work'. This website is designed to provide parents/carers with information on post-14, 16 and 18 options, as well as helping parents/carers to work with their children to learn more about their interests, strengths and map out their future ambitions.

If you require any further information about your child's future options, please contact our Careers Advisor, Gurjit Matto. Please email - gmatto@hillcrest.bham.sch.uk
