

Safeguarding- 'Place2be' website

Parentmail sent 20th October 2021

Dear Parent/ Carer,

Please find a link below to the 'Place2be' website. This offers parents advice on a wide range of issues that can impact on the mental health of children and young people. There is guidance included on 43 different issues that can impact on mental health and provides parents with advice on how to best support children at these difficult times.
